

## PROGRAMME

04 October 2017 (Wednesday)		
<b>8:30 – 9:15</b>	<b>Opening Session: (Mr. Romeo Recide, EMCEE)</b>	
	National Anthem Invocation	<b>UP Singing Ambassadors</b>
	Welcome Remarks	<b>Ms. Lisa Grace Bersales</b> National Statistician and Civil Registrar General Philippine Statistics Authority (PSA)
	Opening Remarks	<b>Ms. Francesca Perucci</b> Chief, Statistical Service Branch United Nations Statistics Division (UNSD)
	Message from UN	<b>Mr. Haoliang Xu</b> Assistant Secretary General of the United Nations and Director of the Regional Bureau for Asia and Pacific at the United Nations Development Programme (UNDP)
	Introduction of the Keynote Speaker	<b>Ms. Lisa Grace Bersales</b> National Statistician and Civil Registrar General PSA
	Keynote Address	<b>Mr. Ernesto Pernia</b> Secretary of Socio-economic Planning, National Economic and Development Authority (NEDA) Philippines
<b>9:15– 10:45</b>	<b>Plenary Session 1 - Data Ecosystem</b> <i>This session highlights the developments in the data ecosystem for SDG monitoring at the international and country level perspective.</i>	
	<b>Session Sponsor:</b> United Nations Development Programme (UNDP) Philippines	
	Chair	<b>Mr. Johannes Jütting</b> Secretariat Manager PARIS21
	Presenters	<b>1) Ms. Francesca Perucci</b> Chief, Statistical Service Branch UNSD
		<b>2) Role of the Swiss Federal Statistical Office in the Swiss Administration within the framework of the 2030 Agenda for Sustainable Development</b>  <b>Mr. Benjamin Rothen</b> Deputy Head of the Unit, International Affairs Swiss Federal Statistical Office

		Switzerland
		<b>3) Disaggregated SDG Monitoring by a Wider Use of Administrative Registers</b>  <b>Mr. Maciej Truszczynski</b> Head of Section Statistics Denmark
		<b>4) Development in the International Community and Countries in the SDG Monitoring</b>  <b>Mr. Azahari Mohd Raslan</b> Deputy Chief Statistician Department of Statistics Malaysia
10:45 – 11:15	<b>Coffee Break</b>	
11:15 – 12:45	<b>Plenary Session 2 - SDG Data Users: Needs and Expectations</b> <i>This session highlights understanding the users' needs and explaining how their expectations can be met. This can hopefully help in demonstrating the actual policy use of the data.</i>  <b>Session Sponsor:</b> Philippine Statistical Research and Training Institute (PSRTI)	
	Chair	<b>Ms. Josefina Almeda</b> Executive Director PSRTI
	Presenters	<b>1) Atlas of Sustainable Development Goals 2017: From the World Development Indicators</b>  <b>Mr. Umar Serajuddin</b> Senior Economist World Bank
		<b>2) Ms. Rosemarie Edillon</b> Undersecretary National Economic and Development Authority (NEDA) Philippines
		<b>3) National Evaluation Systems and Capacities for Evaluating Progress towards the SDGs: Emerging Lessons from Case Studies of Asia Pacific countries</b>  <b>Ms. Dorothy Lucks</b> International consultant UNDP
<b>4) Localization and Integration of Development Reporting in the Pacific</b>  <b>Ms. Alison Culpin</b> Demographer and Social Statistician, Statistics for Development Division Statistics for Development Division Pacific Community		
12:45 – 2:00	<b>Lunch Break</b>	

SIMULTANEOUS SESSIONS								
<p><b>Theme 4: Monitoring sector specific indicators</b>  <b>Session 1-1: Exploring the use of statistical methodologies to respond to sectoral concerns</b></p> <p><b>Session Sponsor:</b> Philippine Statistical Research and Training Institute</p>								
2:00 – 3:30	<table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Chair</td> <td> <p><b>Mr. Dennis Mapa</b>                      Dean                      University of the Philippines School of Statistics                      Philippines</p> </td> </tr> <tr> <td rowspan="4">Presenters</td> <td> <p><b>1) Current methodological work for the measurement of green jobs: Proposals for the statistical definition and measurement</b></p> <p><b>Mr. Tite Habiyakare</b>                      Regional Labour Statistician                      ILO Regional Office for Asia and the Pacific</p> </td> </tr> <tr> <td> <p><b>2) Multidimensional Poverty Measures as Tools for Policy Action</b></p> <p><b>Ms. Sabina Alkire</b>                      Director                      Oxford Poverty &amp; Human Development Initiative</p> </td> </tr> <tr> <td> <p><b>3) Methods to Compute Food Security Indicators for Sustainable Development Goals 2</b></p> <p><b>Mr. Abdul Sattar</b>                      Regional Food Security Analyst                      Food and Agriculture Organization of the United Nations                      Regional Office for Asia and the Pacific</p> </td> </tr> <tr> <td> <p><b>4) Estimating Population Using Settlement Features Extracted from High-Resolution Satellite Imagery and Locally-sourced Micro Census Data</b></p> <p><b>Mr. Vincent Seaman</b>                      Deputy Director- Strategy, Data &amp; Analytics                      Bill &amp; Melinda Gates Foundation (BMGF)</p> </td> </tr> </table>	Chair	<p><b>Mr. Dennis Mapa</b>                      Dean                      University of the Philippines School of Statistics                      Philippines</p>	Presenters	<p><b>1) Current methodological work for the measurement of green jobs: Proposals for the statistical definition and measurement</b></p> <p><b>Mr. Tite Habiyakare</b>                      Regional Labour Statistician                      ILO Regional Office for Asia and the Pacific</p>	<p><b>2) Multidimensional Poverty Measures as Tools for Policy Action</b></p> <p><b>Ms. Sabina Alkire</b>                      Director                      Oxford Poverty &amp; Human Development Initiative</p>	<p><b>3) Methods to Compute Food Security Indicators for Sustainable Development Goals 2</b></p> <p><b>Mr. Abdul Sattar</b>                      Regional Food Security Analyst                      Food and Agriculture Organization of the United Nations                      Regional Office for Asia and the Pacific</p>	<p><b>4) Estimating Population Using Settlement Features Extracted from High-Resolution Satellite Imagery and Locally-sourced Micro Census Data</b></p> <p><b>Mr. Vincent Seaman</b>                      Deputy Director- Strategy, Data &amp; Analytics                      Bill &amp; Melinda Gates Foundation (BMGF)</p>
Chair	<p><b>Mr. Dennis Mapa</b>                      Dean                      University of the Philippines School of Statistics                      Philippines</p>							
Presenters	<p><b>1) Current methodological work for the measurement of green jobs: Proposals for the statistical definition and measurement</b></p> <p><b>Mr. Tite Habiyakare</b>                      Regional Labour Statistician                      ILO Regional Office for Asia and the Pacific</p>							
	<p><b>2) Multidimensional Poverty Measures as Tools for Policy Action</b></p> <p><b>Ms. Sabina Alkire</b>                      Director                      Oxford Poverty &amp; Human Development Initiative</p>							
	<p><b>3) Methods to Compute Food Security Indicators for Sustainable Development Goals 2</b></p> <p><b>Mr. Abdul Sattar</b>                      Regional Food Security Analyst                      Food and Agriculture Organization of the United Nations                      Regional Office for Asia and the Pacific</p>							
	<p><b>4) Estimating Population Using Settlement Features Extracted from High-Resolution Satellite Imagery and Locally-sourced Micro Census Data</b></p> <p><b>Mr. Vincent Seaman</b>                      Deputy Director- Strategy, Data &amp; Analytics                      Bill &amp; Melinda Gates Foundation (BMGF)</p>							
2:00 – 3:30	<p><b>Theme 2: Integration of different data sources for SDG monitoring</b>  <b>Session 1-2: Increasing the usability of civil registration and vital statistics –getting the basics right</b>  <i>The session focuses on how to strengthen civil registration and vital statistics system to provide more reliable and accurate information addressing the diverse needs of the growing population</i></p> <p><b>Session Sponsor:</b> United Nations Economic and Social Commission for Asia and the Pacific</p> <table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Chair</td> <td> <p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p> </td> </tr> <tr> <td rowspan="1">Presenters</td> <td> <p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p> </td> </tr> </table>	Chair	<p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p>	Presenters	<p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p>			
Chair	<p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p>							
Presenters	<p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p>							
2:00 – 3:30	<table border="1" style="width: 100%;"> <tr> <td style="width: 30%;">Chair</td> <td> <p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p> </td> </tr> <tr> <td rowspan="1">Presenters</td> <td> <p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p> </td> </tr> </table>	Chair	<p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p>	Presenters	<p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p>			
Chair	<p><b>Ms. Lisa Grace Bersales</b>                      National Statistician and Civil Registrar General                      PSA</p>							
Presenters	<p><b>1) Getting the Basics Right for increasing Usability of Mortality and Causes of Death Statistics from Civil Registration</b></p> <p><b>Mr. Martin Nyahoda</b>                      Deputy Registrar General                      Republic of Zambia</p>							

- 2) **Mr. Luis Gonzalez Morales**  
 Statistician  
 UNSD
- 3) **Ms. Paula Monina Collado**  
 Consultant  
 United Nations Economic and Social Commission for Asia and  
 the Pacific  
  
**Mr. Thinley Wangchuck**  
 CRVS project committee member  
 Department of Civil Registration and Census (DCRC)  
 Ministry of Home and Cultural Affairs  
 Bhutan  
  
**Mr. Tengiz Tsekvava**  
 Deputy Executive Director  
 National Statistics Office of Georgia
- 4) **Civil Registration and Vital Statistics System in the Philippines**  
  
**Ms. Aurora Reolalas**  
 Chief, Vital Statistics Division  
 Philippine Statistics Authority

**Theme 3: Localizing Statistics**  
**Session 1-3: SDG accountability**  
*Local governments, the private sector, civil society and non-government organizations, being the catalysts, are essential for promoting inclusive sustainable development within their territories. By creating broad-based ownership, commitment and accountability, they are vital partners to the implementation of the Sustainable Development Goals (SDGs). The presenters are expected to share experiences on making SDGs matter in their governance & communities.*

**Session Sponsor:** Philippine Institute for Development Studies

2:00 – 3:30

**Chair**  
**Ms. Lina V. Castro**  
 Consultant  
 Philippines

**Presenters**

- 1) **Catbalogan City and the SDGs: Promising Practices and Lessons Learned**  
  
**Hon. Stephany Uy-Tan**  
 Mayor  
 Catbalogan City, Samar  
 Philippines

- 2) **Labing Pitong Hamon sa Bawat Cauayeño: Cauayan City in Localizing United Nations' Sustainable Development Goals**  
  
**Hon. Bernard Faustino Dy**  
 Mayor

		<p>Cauayan City, Isabela Philippines</p> <p><b>3) <i>Cities and the Sustainable Development Goals: Processes and Incentives in Localizing the SDGs</i></b></p> <p><b>Ms. Joy Camille Baldo</b> Project Officer - Sustainability Management ICLEI Southeast Asia Secretariat</p>
3:30 – 4:00	<b>Coffee Break</b>	
4:00 – 5:30	<p><b>Theme 3: Localizing Statistics</b></p> <p><b>Session 2-1: The Grassroots of SDG Statistics</b></p> <p><i>Strategizing using local statistics will be beneficial for targeted stakeholders but only with high quality subnational statistics can the decision maker effectively map their developmental programs. Lack of lower disaggregated data is one of the struggles being faced by SDG, which creates a bigger problem in efficient decision-making. By addressing the issues and challenges on the compilation of SDG statistics, these can be mapped towards the prioritization of the statistics at the subnational level. This session aims to determine tools and techniques to address data challenges in linking issues on the generation and compilation of SDG statistics towards sub-national progress.</i></p> <p><b>Session Sponsor:</b> Asian Development Bank (ADB)</p>	
	Chair	<p><b>Mr. Lakshman Nagraj Rao</b> Statistician Asian Development Bank</p>
	Presenters	<p><b>1) <i>SDGs and ILO Decent work indicators framework: ILO experience in monitoring at the sub-national levels</i></b></p> <p><b>Mr. Rafael Diez de Medina</b> Chief Statistician and Director ILO Department of Statistics, Geneva</p>
		<p><b>2) <i>Small Area Estimation and Poverty Mapping</i></b></p> <p><b>Mr. Roy Van der Weide</b> Economist World Bank</p> <p>and</p> <p><b>Ms. Zita VJ Albacea</b> Professor University of the Philippines Institute of Statistics</p>
		<p><b>3) <i>Moving Forward: Analytical Tools for Disaggregating Official Statistics</i></b></p> <p><b>Mr. Arturo Martinez, Jr.</b> Statistician Asian Development Bank</p> <p><b>4) <i>Measures of primary health care systems</i></b></p> <p><b>Ms. Eryln Rachelle Macarayan</b> Postdoctoral Researcher Harvard University</p>

4:00 – 5:30	<p><b>Theme 1: Data Storytelling</b></p> <p><b>Session 2-2: Having the right data for the right decisions towards SDG monitoring</b></p> <p><i>This session focuses on the kind of SDG data relevant for informed decision making and how these are used for effective planning and policy making.</i></p> <p><b>Session Sponsor: Department of Labor and Employment (DOLE)</b></p>	
	Chair	<p><b>Serge Kapto</b> Policy Specialist UNDP</p>
	Presenters	<p><b>1) Longitudinal Cohort Study on the 10-year old Girl and Boy</b></p> <p><b>Ms. Judith Borja</b> Director, Office of Population Studies Foundation University of San Carlos Philippines</p>
		<p><b>2) Decent work in the Philippines</b></p> <p><b>Mr. Alex Avila</b> Assistant Secretary Department of Labor and Employment Philippines</p>
<p><b>3) Producing the Right Data for the SDGs</b></p> <p><b>Mr. Abu Bakr Mahmoud Mohamed Bakr El-Gendy</b> President Central Agency for Public Mobilization and Statistics Egypt</p>		
	<p><b>4) Mr. Ajin Jirachiefpattana</b> Deputy Director General National Statistical Office Thailand</p>	
4:00 – 5:30	<p><b>Theme 2: Integration of different data sources for SDG</b></p> <p><b>Session 2-3: Building confidence in the use of administrative data</b></p> <p><i>This session entails presentations on the experiences, challenges, and best practices of various countries in the use of administrative data and registers for official statistics. Details on the different quality assessment tools/mechanisms developed to measure the readiness of administrative data for use in official statistics will also be discussed in this session.</i></p> <p><b>Session Sponsor: Department of Agrarian Reform (DAR)</b></p>	
	Chair	<p><b>Ms. Carmelita Ericta</b> Consultant Philippines</p>
	Presenters	<p><b>1) Institutional Change towards Modernization of the Statistical System, Palestine Experience</b></p> <p><b>Ms. Samar Awaad</b> Senior Assistant, President Office Palestinian Central Bureau of Statistics (PCBS)</p>

		<p><b>2) Management Challenges in the Use of Admin Data in the Production of Statistics</b></p> <p><b>Mr. Maciej Truszczynski</b> Head of Section Statistics Denmark</p>
		<p><b>3) Philippine System of National Accounts</b></p> <p><b>Ms. Vivian Ilarina</b> Assistant National Statistician Philippine Statistics Authority</p>
		<p><b>4) Building Confidence In The Use Of Administrative - Based Data - A Case Of Tanzania</b></p> <p><b>Ms. Albina Chuwa</b> Director General Tanzania National Bureau of Statistics</p>

**05 October 2017 ( Thursday)**

<p><b>Plenary Session 3 - Financing Data and Statistics for SDG implementation</b></p> <p><i>Using the opportunity of the launch of PRESS 2017 – the Partner Report on Support to Statistics – this session aims to discuss the current state and forthcoming challenges for financial support to statistical development, in a context of increasing demand for timely, relevant, high-quality data for the implementation of the SDGs. The session will also discuss on the different actions that could be taken from stakeholders to improving financing, from strengthening advocacy, incorporating statistical needs in national budgeting and expenditure frameworks, incorporating private sector initiatives and other best practices included in the Cape Town Action Plan.</i></p> <p><b>Session Sponsor:</b> Partnership in Statistics for Development in the 21st Century (PARIS21)</p>								
9:00 – 10:30	<table border="1" style="width: 100%;"> <tr> <td style="width: 20%;">Chair</td> <td> <p><b>Shaída Badíee</b> Managing Director Open Data Watch</p> </td> </tr> <tr> <td>Presenter</td> <td> <p><b>1) Financing Data and Statistics for SDG implementation</b></p> <p><b>Mr. Johannes Jütting</b> Secretariat Manager PARIS21</p> </td> </tr> <tr> <td rowspan="2">Panelists</td> <td> <p><b>2) Mr. Vincent Seaman</b> Deputy Director- Strategy, Data &amp; Analytics Bill &amp; Melinda Gates Foundation (BMGF)</p> </td> </tr> <tr> <td> <p><b>3) Mr. Bonar Laureto</b> Executive Director Philippine Business for the Environment (PBE) Project Partner, UNDP SDGs is our Biz Project</p> </td> </tr> </table>	Chair	<p><b>Shaída Badíee</b> Managing Director Open Data Watch</p>	Presenter	<p><b>1) Financing Data and Statistics for SDG implementation</b></p> <p><b>Mr. Johannes Jütting</b> Secretariat Manager PARIS21</p>	Panelists	<p><b>2) Mr. Vincent Seaman</b> Deputy Director- Strategy, Data &amp; Analytics Bill &amp; Melinda Gates Foundation (BMGF)</p>	<p><b>3) Mr. Bonar Laureto</b> Executive Director Philippine Business for the Environment (PBE) Project Partner, UNDP SDGs is our Biz Project</p>
Chair	<p><b>Shaída Badíee</b> Managing Director Open Data Watch</p>							
Presenter	<p><b>1) Financing Data and Statistics for SDG implementation</b></p> <p><b>Mr. Johannes Jütting</b> Secretariat Manager PARIS21</p>							
Panelists	<p><b>2) Mr. Vincent Seaman</b> Deputy Director- Strategy, Data &amp; Analytics Bill &amp; Melinda Gates Foundation (BMGF)</p>							
	<p><b>3) Mr. Bonar Laureto</b> Executive Director Philippine Business for the Environment (PBE) Project Partner, UNDP SDGs is our Biz Project</p>							

4) <b>Mr. Simil Johnson</b> Head Head of Vanuatu National Statistics Office
5) <b>Ms. Rosario Manasan</b> Senior Research Fellow Philippine Institute of Development Studies
6) <b>Ms. Claire Melamed</b> Executive Director Global Partnership for Sustainable Development Data

10:30 – 11:00 **Coffee Break**

**SIMULTANEOUS SESSIONS**

11:00 – 12:30	<b>Theme 2: Integration of different data sources for SDG monitoring</b> <b>Session 3-1: Big data technology/citizen generated data as source for some of SDG indicators</b> <i>This session discusses the new paradigm in providing abundant data and opportunities to better monitor the SDGs. This will focus on exploring the use of new technologies and citizen-generated data as source for some SDG indicators as well as integrating data from private sector, academia and civil society as a source for some SDG, Indicators not available from existing data collection systems</i>  <b>Session Sponsor:</b> United Nations Population Fund, Philippines	
	Chair	<b>Mr. Klaus Beck</b> Country Representative UNFPA
	Presenters	<b>1) Mr. Philipp Schönrock</b> Director Centro de Pensamiento Estratégico Internacional (CEPEI)
		<b>2) Empowering Women-Entrepreneurs at CARD-MRI: The Role of Technology-Based Data Management</b>  <b>Ms. Marilyn Manila</b> Manager for Community Development Group CARD MRI Philippines
<b>3) SDGs amenable to measurement using big data: Examples and challenges</b>  <b>Mr. Rohan Samarajiva</b> Chair LIRNEasia		
	<b>4) Big Data for Sustainable Development and Humanitarian Action</b>  <b>Mr. Jong Gun Lee</b> Data Scientist & Research Lead Global Pulse Jakarta	

11:00 – 12:30 **Theme 1: Data Storytelling**  
**Session 3-2: Keeping data open but private for Agenda 2030**  
*This session looks into the principles of open data, its power and issues/concerns raised on its use. It is*

*hoped that the discussion will also delve into standards that needs to be set-up to maximize the use of open data without violating the UNFPOS. The session will also discuss solutions to harmonize the collection of open government data on the SDGs*

**Sponsor:** Department of Information and Communication Technology, Philippines

Chair	<b>Mr. Richard Moya</b> Consultant Philippines
Presenters	<b>1) Jose Ramon G. Albert</b> Research Fellow Philippine Institute of Development Studies (PIDS)
	<b>2) Ms. Francesca Perucci</b> Chief, Statistical Service Branch UNSD
	<b>3) <i>Open Data for Sustainable Development Goals</i></b>  <b>Ms. Shaida Badiee</b> Managing Director and Co-founder Open Data Watch
	<b>4) Mr. Gabriel Maurice Demombynes</b> Program Leader, Human Development World Bank

**Theme 4: Monitoring sector specific indicators**  
**Session 3-3: Statistics for reducing impacts from disasters**  
*The session is an opportunity to share experiences and emerging tools, and generate ideas on how to overcome challenges for improving availability and quality of statistics for understanding and addressing disaster risk through discussions among conference participants and panelists.*

**Session Sponsor:** United Nations Economic and Social Commission for Asia and the Pacific

11:00 – 12:30

Chair	<b>Mr. Romeo Recide</b> Deputy National Statistician PSA
Panelists	<b>1) Ms. Kanokporn Chucherd</b> Foreign Relations Official Department of Disaster Prevention and Mitigation (DDPM) Thailand
	<b>2) Ms. Budsara Sang-A-roon</b> Statistician National Statistics Office Thailand
	<b>3) Ms. Nona Iriana</b> Head of Subdirectorate, Environment Statistics, Directorate of Social Resilience Statistics, BPS Indonesia

		4) <b>Mr. Hermawan Agustina</b> Head of Data Section, Data and Information Center Disaster Mangement Agency of Indonesia (BNPB) Indonesia
11:00-12:30	<b>Session 3-4: Tools for SDG Monitoring</b> <i>This session focus on the tools and instruments that can be used in assessing progress in achieving SDG targets. These are designed to better communicate the progress made by countries and would help policy makers better understand their status in terms of achieving the targets.</i>  <b>Session Sponsor: Land Bank of the Philippines</b>	
	Chair	<b>Mr. Romulo Virola</b> Consultant Philippines
	Presenters	<b>1) Tracking progress towards the SDGs: measuring the otherwise ambiguous progress</b>  <b>Mr. Arman Bidarbakht Nia</b> Statistician UNESCAP
		<b>2) Mr. Johannes Jütting</b> Secretariat Manager PARIS21  <b>3) SDG Tracker for India</b>  <b>Anjori Pasricha</b> Research & Analysis Consultant SocialCops India
12:30 – 14:00	<b>LUNCH</b>	
14:00-15:30	<b>Theme 2: Integration of different data sources for SDG monitoring</b> <b>Session 4-1: Leaving No One Behind through Censuses</b> <i>This session aims to discuss the need to conduct censuses, which are vital in SDG monitoring. It is expected that the discussions will focus on the critical importance of demographic data and analysis for achieving sustainable development and ensuring that no one is left behind, and on how the census can be strengthened to help achieve the objectives of the 2030 Agenda</i>  <b>Session Sponsor: World Health Organization</b>	
	Chair	<b>Mr. Tomas P. Africa</b> Consultant Philippines
	Presenters	<b>1) Measuring the Sustainable Development Goals with census microdata from IPUMS-International</b> <b>Ms. Sula Sarkar</b> Research Scientist IPUMS-International
<b>2) Measuring SDGs Using Philippines' Population Censuses</b>  <b>Ms. Minerva Eloisa Esquivias</b>		

		<p>Assistant National Statistician Philippine Statistics Authority</p> <p><b>3) Population Census Data for SDG Reporting</b></p> <p><b>Dr. Christophe Lefranc</b> Technical Adviser, Population and Development UNFPA Asia-Pacific Regional Office</p> <p><b>4) Potential use of census data for generating SDG indicators</b></p> <p><b>Ms. Yongyi Min</b> Senior Statistician UNSD</p>
14:00-15:30	<p><b>Theme 2: Localizing Statistics</b></p> <p><b>Session 4-2: Building-up monitoring and reporting of the SDGs at the local level</b></p> <p><i>While there will be a need to synchronize SDGs in the interest of pulling in the same direction on critical national-level, issues, there can be different monitoring and reporting challenges at the subnational level (communities, ecosystems, sectors etc.). This session highlights and builds on the challenges in the sub-national monitoring and reporting capacities as well as suggests possible solutions to address these.</i></p> <p><b>Session Sponsor:</b> Food and Agriculture Organization of the United Nations, Philippines</p>	
	Chair	<p><b>Ms. Lina V. Castro</b> Consultant Philippines</p>
	Presenters	<p><b>1) Local-level SDG Dashboard</b></p> <p><b>Dr. Celia Reyes</b> <i>Research Fellow II</i> <i>Philippine Institute for Development Studies</i> <i>UNDP Consultant</i></p>
		<p><b>2) Experiences and Challenges in reporting on SDGs</b></p> <p><b>Mr. Shinji Ueda</b> Deputy-Director for International Statistical Affairs Office of Director-General for Policy Planning on Statistical Standards, Ministry of Internal Affairs and Communications Japan</p> <p><b>3) Role of Business in Monitoring and Reporting Local SDG Data</b></p> <p><b>Ms. Agnes De Jesus</b> First Philippine Holdings Lopez Group of companies Philippines</p> <p><b>4) Experiences and Challenges in Reporting SDGs</b></p> <p><b>Ms. Patricia McCarney</b> President and CEO</p>

		World Council on City Data
14:00-15:30	<b>Theme: Monitoring sector specific indicators</b> <b>Session 4-3: Strengthening Access to Justice: New Methodologies and Partnerships to Measure Civil Justice</b> <i>The session aims to highlight potential solutions to the difficult task of measuring SDG 16.3 on access to justice. Through this focus on measuring civil justice, the session explores how new partnerships, tools and policy instruments used to advance progress towards 16.3 may be employed across other aspects of SDG 16 and broader parts of the SDG agenda.</i>	
	<b>Session Sponsor: JACALA</b>	
	Chair	<b>Ms. Sumaiya Islam</b> Program Manager Open Society Justice Initiative
	Presenters	<b>1) Ms. Diani Sadiawati</b> Senior Advisor Indonesia National Planning Ministry
		<b>2) Mr. Deepak Thapa</b> Executive Director Social Science Baha, Nepal
		<b>3) Mr. Raphael Kasonga</b> Manager, Social Statistics Statistics South Africa
		<b>4) Mr. Peter Chapman</b> Policy Officer Open Society Justice Initiative
<b>5) Mr. Celso Soares</b> Vice Presidente Instituto Nacional de Estadística de Cabo Verde		
<b>6) Mr. Pascoe Pleasance</b> Professor, Empirical Legal Studies University College London		
14:00-15:30	<b>Theme – Data Story telling</b> <b>Session 4-4: Handling the Data Explosion in SDG through Data Visualization</b> <i>Data Visualization is a booming channel to present statistics with a coherent narrative. Specifically, data are a vital element in achieving the 2030 Sustainable Development Goals but the aim of putting together the data for SDG is still a work in progress. Through data visualization, driving home important points to decision makers and putting stories into the data has become increasingly popular. This session aims to bring together the front-runners behind the advocacy of data visualization in achieving the SDG.</i>	
	<b>Session Sponsor: Bangko Sentral ng Pilipinas</b>	
	Chair	<b>Ms. Rosabel Guerrero</b> Director Bangko Sentral ng Pilipinas (BSP) Philippines
Presenters	<b>1) <i>The Star Trek Fallacy: Avoiding Big Data Optical Illusions and Pitfalls</i></b>  <b>Mr. Erik Wetter</b>	

		Co-founder and Chairman Flowminder
		<b>2) <i>Filling the data gaps through data innovation</i></b>  <b>Mr. Alexandru Oprunenco</b> Lead, Knowledge and Innovation UNDP Bangkok Regional Hub
		<b>3) <i>Data for All: Tools for Monitoring the SDGs</i></b>  <b>Mr. Kris Oswalt</b> President Community Systems Foundation
15:30-16:00	<b>Coffee Break</b>	
16:00 – 17:30	<b>Plenary Session 4: Counting the Uncounted</b>  <i>This session provides a venue to discuss the challenges faced in the production of disaggregated data to monitor the sustainable development goals. The session also highlights the innovative solutions to address the data gaps to ensure no one is left behind.</i>  <b>Session Sponsor:</b> Department of Environment and Natural Resources (DENR)	
	Chair	<b>Ms. Margarita Guerrero</b> Consultant
	Presenters	<b>1) <i>Counting the Uncounted</i></b>  <b>Mr. Glenn Everett</b> Deputy Director of Well-being Inequalities Sustainability and Environment Office for National Statistics, United Kingdom
		<b>2) <i>Gender mainstreaming in statistics: a global vision</i></b>  <b>Ms. Jessamyn Encarnacion</b> Policy Specialist UN Women
		<b>3) <i>Data Disaggregation and the Global SDG Indicators</i></b>  <b>Ms. Yongyi Min</b> SDG Monitoring Unit UNSD
		<b>4) <i>Leaving No One Behind and Ageing Statistics</i></b>  <b>Mr. Serge Kapto</b> Policy Specialist, Data for Development UNDP
		<b>5) <i>Nicolas Fasel</i></b> Adviser on Human Rights Measurement Office of the United Nations High Commissioner for Human Rights (OHCHR)
<b>06 October 2017 (FRIDAY)</b>		
<b>SIMULTANEOUS SESSIONS</b>		

<p>9:00 – 10:30</p>	<p><b>Theme 2: Integration of different data sources for SDG monitoring</b>  <b>Session 5-1: Strengthening surveys to respond to data requirements</b>  <i>This session focuses on the efforts to improve and expand the surveys taking into account the needs posed by the SDGs. It also aims to ensure country ownership of these surveys.</i></p> <p><b>Session Sponsor:</b> United Nations Children’s Fund, Philippines</p> <table border="1"> <tr> <td data-bbox="379 450 678 555"> <p>Chair</p> </td> <td data-bbox="678 450 1519 555"> <p><b>Mr. Augusto Rodriguez</b>            Consultant            Philippines</p> </td> </tr> <tr> <td data-bbox="379 555 678 1144" rowspan="3"> <p>Presenters</p> </td> <td data-bbox="678 555 1519 723"> <p><b>1) <i>Aligning Multiple Indicator Cluster Surveys to the SDG Era</i></b>   <b>Mr. Attila Hancioglu</b>            Senior Adviser            UNICEF</p> </td> </tr> <tr> <td data-bbox="678 723 1519 987"> <p><b>2) <i>Update of the Inter-secretariat Working Group on Household Surveys (by the Chair- ILO): importance and contribution to statistical coordination</i></b>   <b>Mr. Rafael Diez de Medina</b>            Chief Statistician and Director            ILO Department of Statistics, Geneva</p> </td> </tr> <tr> <td data-bbox="678 987 1519 1144"> <p><b>3) <i>SDG WASH and Wastewater monitoring</i></b>   <b>Ms. Wilma Guillen</b>            Assistant National Statistician            Philippine Statistics Authority</p> </td> </tr> </table>	<p>Chair</p>	<p><b>Mr. Augusto Rodriguez</b>            Consultant            Philippines</p>	<p>Presenters</p>	<p><b>1) <i>Aligning Multiple Indicator Cluster Surveys to the SDG Era</i></b>   <b>Mr. Attila Hancioglu</b>            Senior Adviser            UNICEF</p>	<p><b>2) <i>Update of the Inter-secretariat Working Group on Household Surveys (by the Chair- ILO): importance and contribution to statistical coordination</i></b>   <b>Mr. Rafael Diez de Medina</b>            Chief Statistician and Director            ILO Department of Statistics, Geneva</p>	<p><b>3) <i>SDG WASH and Wastewater monitoring</i></b>   <b>Ms. Wilma Guillen</b>            Assistant National Statistician            Philippine Statistics Authority</p>
