

2017 ANNUAL SURVEY OF PHILIPPINE BUSINESS AND INDUSTRY

Final Results

Electricity, Gas, Steam and Air Conditioning Supply

for Establishments with Total Employment of 20 and Over

This section includes the activity of providing electric power, natural gas, steam, hot water and the like through a permanent infrastructure (network) of lines, mains and pipes. However, only the industry for electronic power generation, transmission and distribution is present in the Philippines. Thus, the succeeding reports pertain to the said industry

ANNUAL SURVEY OF THE PHILIPPINE BUSINESS AND INDUSTRY (ASPBI)
is one of the designated statistical activities of the Philippines Statistics Authority (PSA). Data collected from the survey provide information on the levels, structure, performance and trends of economic activities of the formal sector in the entire country for the year 2017
