

REPUBLIC OF THE PHILIPPINES
PHILIPPINE STATISTICS AUTHORITY

Best Statistical Activity Conducted by a Government Organization

All agencies of the government, local government units (LGUs), academic institutions, state universities and colleges, government-owned and controlled corporations in the **National Capital Region (NCR)** with statistical activities undertaken in **October 2015** are welcome to send entries for this category. Statistical forums, information dissemination activities and contests conducted in October 2015 by proponent agencies/units of the government are covered in this category, thus the following sub-categories of this award:

1. Best Statistical Forum

A statistical forum can be in the form of workshop, symposium, training and lecture on statistics.

2. Best Statistical Information Dissemination Activity

Information dissemination activities can be undertaken using various media. It may be in the form of exhibits, web-based dissemination, database systems, information caravan, and release of publications, primers, flyers, and bulletins.

3. Best Statistical Contest

A statistical contest can either be in the form of statistical quiz, oratorical contest, essay contest, poster-making contest where participants compete for an award.

The criteria for judging the entries in all the subcategories of the Best Statistical Activity are as follows:

Relevance to the theme ¹	20%
Clarity of objectives/message and promotion of statistical awareness/literacy	25%
Outputs, outcomes and impacts to the audience/target group	35%
Extent of participation/Coverage	10%
Economy in the use of resources	10%
TOTAL	100%

For further information, please contact the Statistical Policies and Programs Division (SPPD) of the Standards Service with telephone numbered +632 376-1928 and +632 376-1879, and email addresses lira@psa.gov.ph and nationalstatmonth@gmail.com. Updates on the NSM Awards shall be posted on the PSA website and NSM webpage, which can be accessed at: <http://psa.gov.ph/nsm-press-release-27>.

^{1/} The theme for the 26th NSM celebration in October 2015 was "Pagyamanin at Gamitin ang Estadistika, Kalusugan para sa Lahat ay Abot-Kamay Na" or "Maximize Use of Statistics Towards Health Care Opportunities."
