**PSA to Conduct “Country Workshop on  
the Philippine Data Revolution Roadmap for the  
Sustainable Development Goals” on 5-6 October 2016**

The Philippine Statistics Authority (PSA), in line with its commitment to develop and provide the needed data support to the Sustainable Development Goals (SDGs), will conduct the **Country Workshop on the Philippine Data Revolution Roadmap for the Sustainable Development Goals on 5-6 October 2016** at a venue to be announced at a later date.

The Country Workshop, in collaboration with the Global Partnership for Sustainable Development Data, will serve as a venue for the discussion of various innovations, tools and techniques towards building a Philippine/Country Data Revolution Roadmap for the SDGs. The Roadmap will serve as guide to the Philippine Statistical System (PSS) in the implementation of various statistical development programs until 2030 towards the generation of statistics on the SDGs and will be made an integral part of the next edition of the Philippine Statistical Development Program.

The Workshop will be participated in by member agencies of the PSA Board and other agencies in the PSS, academe, local and international companies, development partners and representatives from other countries' national statistical offices.

For information, please contact the Statistical Standards Division (SSD) of the Standards Service with telephone numbered 376-1928 and 376-1931, and email addresses [p.rivera@psa.gov.ph](mailto:p.rivera@psa.gov.ph) and [ssd.staff@psa.gov.ph](mailto:ssd.staff@psa.gov.ph).
